

# Paying for childcare

## Financial support for you and your family

There are many different kinds of financial support available to help you and your family pay for childcare. Whether you are working full-time, have a part-time job or are self-employed, there may be some financial help available for you towards your childcare costs. The support available to you will depend on your circumstances.

This quick reference guide explains what support you may be entitled to and how to find out more about it.
